

1925 HAHN HOOK & LADDER TRUCK

1925 Hahn on right

On November 11, 1925 a new, motorized Hahn Combination Pumper – Chemical – Ladder Truck arrived and joins a parade later that evening. The purchase price for the new ladder truck was \$6,400. The Hahn carried chemical fire retardant but no water and had a 350-gpm pump.

On November 1, 1963, after the purchase of a new ladder truck, the Hahn Hook and Ladder Truck was sold to Tiny Gould. Bids opened show that the high bid was for \$565.00
