

1987 PROJON BOAT

Boat 8-1 is a model 16PROJON, 16' x 6' Flat Bottom Blue Fin watercraft. It is powered by a 25 horsepower Mercury outboard motor and has a 4 person, 950-pound capacity. The boat carries life preservers and assorted ropes for rescue. This unit was purchased new in 1987 and placed in service later that same year.

On February 5, 2013 this boat and trailer was taken out of service and sold to firefighter Scott Harro of Selinsgrove, PA for \$1250.00.
